Petition signatures must be recorded on the prescribed form published by the New Mexico Secretary of State’s Office (our Office). Those forms can be found on the SOS website: [How to Become a Candidate - 2026 Primary election](#). In January of 2024, SOS implemented a secure internet application that, in addition to the paper circulation process, will provide candidates with an option to gather petition signatures electronically.

GENERAL ELIGIBILITY REQUIREMENTS FOR ALL OFFICES

Party Affiliation: In New Mexico, only major political party candidates will appear on the Primary Election ballot. The two (2) major political parties are the New Mexico Democratic Party and the New Mexico Republican Party.

Currently, the minor political parties in New Mexico are, the Green Party of New Mexico and the Libertarian Party of New Mexico. Minor party candidates are nominated for office according to the party rules on file with the Secretary of State and pursuant to Sections 1-8-2 and 1-8-3, NMSA 1978.

Information and deadlines for qualifying as a new minor party in New Mexico can be found beginning on page 14 of this guide, on the Secretary of State's website at [New Mexico Political Party Information](#) and in Sections 1-7-2 & 1-7-4, NMSA 1978.

Independent candidates are candidates whose certificate of voter registration shows affiliation with no qualified political party on the date of the secretary of state's general election proclamation and, if applicable, shows residence on the date of the secretary of state's proclamation in the district or county of the office for which the person is a candidate. Please see 1-8-45, NMSA 1978 for specific qualifications for independent candidates.

U.S. Citizenship: U.S. Citizenship is a prerequisite to register to vote as well as a requirement in holding elective public office in New Mexico. N.M. Const. Art. VII, Sec. 2 (a).

Minimum Age: The Twenty-Sixth (26) Amendment of the United States Constitution grants the elective franchise to persons eighteen (18) years old or older and supersedes the minimum age requirements for voter registration in the New Mexico Constitution. Please note that some elected offices have specific age eligibility requirements beyond the minimum age requirements established by the Constitution. For that information, please see the Specific Eligibility Requirements section below.

New Mexico Requirements: New Mexico law outlines certain requirements for candidates to have their name printed on a ballot based upon the candidate's voter registration information. Specifically, the candidate's voter registration must show:

- Affiliation with the political party as of the date of the Secretary of State's general election proclamation on January 26, 2026. *Refer to Section 1-8-12, NMSA 1978.*
 - **Independent Candidates:** Voter registration must show no affiliation with any qualified political party on the date of the Election Proclamation. *Refer to Section 1-8-45 (A)(1)(a), NMSA 1978.*
 - **Minor Party Candidates:** Voter registration must show the candidate was registered as a member of their minor party on the day the secretary of state issues the general election proclamation. *Refer to Section 1-8-2 (D), NMSA 1978.*

Notice to Minor Party and Independent Candidates:

The names certified to the SOS shall be filed on the twenty-third (23) day following the primary election in the year of the general election and shall be accompanied by a nominating petition containing the signatures of voters

totaling not less than one percent (1%) of the total number of votes cast for governor at the last preceding general election at which a governor was elected, in the state for statewide offices, or in the district for offices other than statewide offices, provided that:

- If there are fewer members of the minor party registered to vote (in the state for statewide offices, or registered to vote in the district for offices other than statewide offices) than the number of signatures required for that office, a nominating petition shall contain the signatures of voters totaling not less than the required number of signatures of voters for independent candidates for the same office; and provided further that for the public education commission, a nominating petition shall be signed by at least two-thirds of the number of signatures that would otherwise be required, and for a judicial office, a nominating petition shall be signed by two-thirds of the number of signatures that would otherwise be required. *Refer to Section 1-8-2 (B), NMSA 1978.*

If a minor political party seeks but does not obtain qualified status, its candidates may instead run as an independent candidate in the general election *if they individually meet the requirements for independent candidacy.*

- An individual who has collected signatures for the purpose of running as a minor party candidate may apply their collected signatures toward the total required of an independent candidate for the same position if the party fails to qualify. Upon collecting the number of signatures required to file as such, the candidate may then run as an independent. To do this, the candidate must meet the residency requirements set forth for independent candidates and must not have been a member of a qualified political party on the date of the Secretary of State's general election proclamation. *Refer to Section 1-8-3.1, NMSA 1978.*
 - Residence in the district or county of the office for which the candidate is running on the date of the Secretary of State's General Election Proclamation (see 1-8-18 (A)(2), NMSA 1978). Residency is determined by the place shown on the certificate of voter registration as the candidate's permanent address, provided that the candidate resides on the premises (see 1-1-7.1, NMSA 1978); and
 - The candidate's name will appear on the ballot to match the voter registration record on file (see 1-4-16 (B), NMSA 1978). The candidate shall provide the appropriate filing officer with their name as registered when they file for their office. Any changes to voter registration must be effective on the date of the Secretary of State's General Election Proclamation. Attempted changes to ballot name appearance at the time of candidate filing is *not* allowed.

Felony Convictions: A person convicted of a felony shall not hold an office of the public trust for the state, county, municipality, or a district, unless the person has presented the governor with a certificate verifying the completion of the sentence and confirming the person was granted a pardon or a certificate by the governor restoring the person's full rights of citizenship. *Refer to Section 31-13-1, NMSA 1978.*

NOMINATING PETITIONS

Offices which Require Nominating Petitions:

Candidates for United States representative, statewide offices (including supreme court justice and court of appeals judge), all state legislative offices, district court judge, metropolitan court judge, district attorney, magistrate court judge, and public education commission are required to file nominating petitions upon filing for office with the appropriate filing officer. Candidates who are required to file nominating petitions do not pay a filing fee.

County Offices:

Candidates for any county office listed in the proclamation issued pursuant to Section 1-8-13, NMSA 1978, shall have their names placed on the primary election ballot by filing declarations of candidacy and paying a fifty-dollar (\$50.00) filing fee or filing a nominating petition containing no fewer than ten (10) signatures for offices elected by district, or twenty (20) signatures for offices elected countywide, at the time of filing declarations of candidacy with the proper filing officer.

GENERAL INFORMATION

In October of 2025, the Secretary of State's office published candidate filing forms, as well as the nominating petition forms for the Primary Election; these items are posted on [SOS website](#) (County Clerks were also provided with the documentation). The required number of signatures for contests appearing on the Primary ballot have also been posted. The required number of signatures for minor and independent candidates will be posted in March of 2026.

Receipt of valid signatures on a petition form are based on the official district boundaries set by the legislature and by law. New Mexico law also requires candidates to collect signatures on nominating petitions on the form prescribed by the Secretary of State. This form, which can be obtained on the Secretary of State's website or by contacting your local County Clerk, is the **only** acceptable form and **cannot** be altered. All other forms will be rejected on filing day. Candidates may make as many copies of the form as needed. Petition forms must be on 8.5" x 11" sized normal weight copy paper and must be single sided. The form provided is electronically fillable and **all information at the top of the form** must be completed. Candidates not filling in the form electronically must be sure that forms are filled in with blue or black ink and are legible. Candidates are urged to avoid the use of white out, overtyping, using strikeouts or strikethroughs, cutting, pasting, or erasure when filling out the top portion of the petition form.

In January of 2025, the SOS deployed an online nominating petition portal, [New Mexico Electronic Petitions - Candidate Nominating Petitions and Qualifying Contributions](#).

- Candidate registration for the electronic petition portal is available on the website using the link provided. The portal provides candidates with an option to electronically gather petition signatures and for judicial candidates that are eligible and seeking certification for public financing they can register to accept Qualifying Contributions from voters.
- For Filing day:
 - Candidates filing their paperwork are to provide hard copies of signature petition sheets.
 - Candidates can use either the paper circulation process, or the electronic signature gathering platform hosted by the SOS.

- Petition signatures attained using the electronic petition portal will require the candidate to export and print their list of petition signatures for filing day.
- Candidates may provide a combination of a circulated hard copy petition sheets and those printed from the electronic petition portal.

Section 1-1-26, NMSA 1978, requires the following information to be listed in the appropriate space at the top of a nominating petition before the petition has been signed by a voter:

- The candidate's name, as it appears on the candidate's certificate of registration.
- The address where the candidate resides.
- The office sought by the candidate.
- If the office sought is a districted office or a division within a judicial district or has been assigned a position number for purposes of the election, the district, division, or position number of the office sought.
- If the office sought will be on the general election ballot, the party affiliation of the candidate or that the candidate is unaffiliated with any qualified political party.
- If the office sought will be nominated at a political party primary, the party affiliation of voters permitted to sign the petition.

Independent and Minor Party Candidates: The above requirements provided by Section 1-1-26, NMSA 1978 do not apply. Instead, voters signing petitions nominating independent and minor party candidates must be registered to vote in the applicable district, county, or state, depending on the office (see 1-8-50, NMSA 1978).

Independent and Minor Party: In March 2026 the Secretary of State will publish petition forms for independent and minor party candidates on the website, along with the signature numbers, and provide the forms and signature numbers to each County Clerk.

CIRCULATING NOMINATING PETITIONS

Candidates are ultimately responsible for the contents of their petitions and for the actions of the individuals representing them in the public. **It is extremely important that individuals assisting candidates with collecting petition signatures are adequately trained and appropriately informed.** Both candidates and the individuals assisting them face risks for failing to follow the law regarding petitions, including:

- A person knowingly falsifying any information on a nominating petition is guilty of falsifying an election document (see 1-8-32 (A), NMSA 1978). Falsifying an election document is a fourth-degree felony (see 1-20-9 (F), NMSA 1978).
- It is a misdemeanor to knowingly circulate, present, or offer to present a nominating petition for the signature of a voter that does not contain the information specified under the law (see 1-8-32 (B), NMSA 1978).
- Petitions submitted not in compliance with the law are not counted. This invalidates the signatures on those petitions and, therefore, will not be counted towards the candidate's required number of signatures.
- The law provides for legal challenges to petitions. If a challenge is filed in district court, candidates must defend their collection of signatures and risk a finding of invalid signatures by a district court judge or the New Mexico Supreme Court. If enough signatures are invalidated, the candidate could fail to appear on the ballot (see 1-8-35 (A), NMSA 1978).

Major Party Candidates (*Primary Election Only*): When circulating nominating petitions, the candidate must ensure that signatures are collected from registered voters in the appropriate district or county, belonging to the candidate's political party. Voters signing petitions must sign the petition with their usual signature, print their name as registered, print their address as registered, and provide their city and/or zip code. *Signatures lacking any of these items are not counted.* Voters may sign only one (1) petition per eligible office. Petition signatures must be legible and completed in blue or black ink; beginning in January of 2026, candidates will have the option to also gather petition signatures electronically.

Independent and Minor Party candidates: Voters signing petitions for independent and minor party candidates are *not* required to be registered in the minor candidate's political party. Instead, the voters certify that they are residents of the state, district, county, or area to be represented by the office for which the person seeking nomination is a candidate (see 1-8-2 (B) and 1-8-50, NMSA 1978).

Independent and minor party candidates MUST ensure they are circulating the correct nominating petition form which will be published March 2026 on the Secretary of State's website.

Minimum Number of Signatures: Candidates required to collect petition signatures have a minimum number of valid signatures they must collect to qualify for the ballot. The number of signatures required are calculated and published by the Secretary of State pursuant to 1-8-33, NMSA 1978 for major party candidates. The petition signature numbers are calculated from a required percentage of the total votes cast for all the party's candidates for governor at the last preceding primary election at which the party's candidate for governor was nominated. Information on the calculations is available upon request from the Bureau of Elections.

- **Minor Party Candidates:** The minimum required number of signatures is based upon the number of voters for the office of governor or president, as the case may be (see 1-8-2, NMSA 1978).
- **Independent Candidates:** The basis of percentage for the total number of votes cast in each instance referred to in this section shall be the total vote cast for governor at the last preceding general election at which a governor was elected (see 1-8-51, NMSA 1978).

The required number of petition signatures for each required office on the 2026 Primary ballot is presented in the following pages. It is strongly recommended that candidates obtain at least 10% more than the minimum number of signatures required, in the event that a challenge to the petitions may be made and/or some signatures are disqualified.

REQUIRED NUMBER OF PETITION SIGNATURES

Candidates required to circulate petitions must meet statutory thresholds of signatures to qualify for the ballot. Candidates who seek, but do not receive pre-primary convention designation may still qualify to appear on the ballot in the primary election by collecting additional signatures. *Calculations based on voter data generated from New Mexico's State Elections, Registration & Voting Integrity System (SERVIS). Calculations appended based on 2026 Proclamation.*

SUBMISSION OF NOMINATING PETITIONS

Nominating petitions are submitted to the appropriate filing officer simultaneously with the Declaration of Candidacy on candidate filing day. The appropriate filing officer for each office is listed on page 35.

Signatures counted: If a candidate uses hardcopy nominating petition pages, the original petition pages will need to be submitted (copied or reproduced pages are not counted by the filing officer, and signatures contained on those petitions are not counted toward the number of required signatures). If the candidate uses the electronic signature gathering platform hosted by the SOS (either alone or in combination with hard copy forms), those digital signature pages will need to be printed and submitted with the candidate's filing paperwork.

Number of signatures: Individual petition pages may contain one (1) to twenty (20) signatures. All necessary information is required for each signature to count. Signatures and accompanying information must be legible to the filing officer. The total number of petition forms must contain enough valid signatures to qualify the candidate for the ballot.

Petitions with incomplete individual voter information, as outlined above, are not counted: For example, if a petition contains twenty (20) voter signatures, but three (3) of those voters failed to provide the required information or are illegible, those three (3) signatures are not counted, but the remaining seventeen (17) are counted.

No alterations to submitted petitions: A nominating petition when filed shall not be withdrawn nor added to, nor shall any person be permitted to revoke their signature thereon. A nominating petition shall be complete when filed. The proper filing officer shall not permit additions to or withdrawals from a nominating petition after it is filed, nor shall any person be permitted to revoke their signature on a petition after it has been filed. The original nominating petition shall remain in the filing officer's office and copies shall be made available by the filing officer (see 1-8-34, NMSA 1978).

Challenges to Petitions: Challenges to petitions primarily occur when a voter files an action in district court challenging the validity of the petitions. Individuals wishing to challenge a petition shall file a court action challenging petitions within ten (10) days after the declaration of candidacy and petitions are filed. *See 1-8-35, NMSA 1978 regarding the requirements of a petition challenge for major party candidates and 1-8-45, NMSA 1978 for independent candidates.*

All nominating petitions submitted to the filing officer are public records: The filing officer retains the original nominating petitions and shall make copies available to the public upon request for a fee. The request form for petitions is on the Secretary of State’s website. *Candidates are encouraged to make copies of their petitions prior to filing them for the candidate’s own records.*

FILING DAY: WHERE TO FILE

As defined in Section 1-1-5.9, NMSA 1978, the proper filing officer for declarations of candidacy and candidate qualifications documents will be either the Secretary of State (statewide or federal offices) or the county clerk (for all other candidates), of the county in which the candidate resides.

WHEN TO FILE

Pre-primary Convention Designation: Candidates for statewide or federal office who seek pre-primary convention designation will file for office on February 3, 2026, in the Secretary of State's office between the hours of 9:00 a.m. and 5:00 p.m. For candidates succeeding in pre-primary designation, the party is responsible for submitting certificates of designation to the Secretary of State on the first Tuesday following the party's convention at which the candidate's designation took place.

Candidates who seek but do not obtain pre-primary convention designation status may still file for office pursuant to 1-8-33 (D), NMSA 1978 by collecting additional petition signatures, submitting the additional petitions to the Secretary of State, and filing a new declaration of candidacy. The newly collected petition signatures are added to the previously submitted signatures and cumulatively totaled. This filing day is either 1) ten days after the primary convention or 2) March 10, 2026 filing day for all other candidates, whichever is later. At the time this guide is published, the Secretary has not been informed by the parties as to when their statewide conventions are being held. Please check with the individual parties to obtain these dates.

All other major party candidates: Major party candidates for offices not eligible for receiving a pre-primary party designation will file for office on March 10, 2026, between the hours of 9:00 a.m. and 5:00 p.m. Filing is completed in the office of the appropriate filing officer listed above.

Write-in candidates³: Write-in candidates shall file for office on March 17, 2026, between the hours of 9:00 a.m. and 5:00 p.m. Filing is completed in the office of the appropriate filing officer as listed above. *Refer to 1-8-36.1 (C), NMSA 1978.*

Minor party, independent, and write-in candidates for the general election: Filing day is June 25, 2026, between the hours of 9:00 a.m. and 5:00 p.m. Filing is completed in the office of the appropriate filing officer as listed above.

In the event of a vacancy: If there is no nominee from a major political party for a public office to be filled in the general election, the following timelines apply:

- If the vacancy was caused by the death of a candidate after filing of the declaration of candidacy or after certification as a convention-designated nominee, and before the primary election – or – the resignation or death of an office holder after the last Friday before the first Tuesday in March (when the office was not included in the proclamation and is required by law to be filled at the next succeeding general election after the vacancy is created), the central committee of the state or county political party will fill the vacancy and submit their nomination to the SOS. The nominated candidate will also submit a declaration of candidacy to the SOS on **June 25, 2026**.
- If after a primary election, but ninety (90) or more days before the general election, a vacancy occurs to any cause, the central committee of the state or county political party (as appropriate) will file the name of its nominee for the office with the proper filing officer on or before **August 5, 2026**.

³ Specific information relevant only to write-in candidates is located on page 36 herein.

WHAT TO FILE

Candidates are required to file the appropriate information with the appropriate filing officer on the filing day designated for their office.

Each candidate must come to the filing officer during the designated hours with the following information:

- Declaration of Candidacy (completed prior to arrival).
- Candidate Campaign Committee Registration Form
 - Printed prior to arrival, is available electronically in Campaign Finance Information System (CFIS) candidate registration.
 - Login to the candidate's CFIS Registration:
 - Select "Administration" section from left column menu
 - Open "View Registration" below Candidate /Committee Details on the right column menu.
 - Candidates can bring a copy of the registration form submitted electronically.
 - Not required for federal candidates⁴.
- Nominating Petitions (if required).
- Financial Disclosure Statement⁵ (if required).
- Affidavit of Designee for Filing (if someone is filing on behalf of candidate).

FILING DAY TIPS

- Do not expect early service. Filing officers will not accept filings prior to 9:00 a.m.
- Do not wait until the last minute.
- Candidates who do not appear by 5:00 p.m. in the appropriate filing officer's County Clerk office cannot file.
- Candidates must file in the office of the appropriate filing officer. Be certain of who your appropriate filing officer is and the location of their office.
- Be prepared with all necessary information and have all forms completed.
- All required forms for filing day are available on the Secretary of State's website; [2026 Primary Election Candidate Information](#).

Candidates must file in person, either themselves or via a proxy, who provides written authorization from the candidate permitting the individual to act on the candidate's behalf. The *Affidavit of Designee* form can be found with all other 2026 Primary Election forms on our website, [2026 Primary Election Candidate Information](#). Filing officers may accept *only* one declaration of candidacy from any individual, i.e. candidates may file for one office only in this election cycle. *Refer to Section 1-8-27, NMSA 1978.*

⁴ Federal candidates file with the [Federal Election Commission](#).

⁵ Financial disclosures are required of all candidates for legislative or statewide office. They are filed at the time the declaration of candidacy is filed and must be on the correct form. The Financial Disclosure Act, 10-16A-1 through 8, NMSA 1978 governs this requirement as well as subsequent disclosures required for certain elected officials.

FILING FOR OFFICE AS A WRITE-IN CANDIDATE

Individuals wishing to appear on the primary ballot as a write-in candidate should review 1-8-36.1, NSMA 1978 in its entirety. Write-in candidates are permitted in the primary election only for the following offices:

- United States Representative
- State Senate
- State House of Representatives
- District Court Judge
- District Attorney
- Public Education Commissioner
- Magistrate Judge

A write-in candidate's certificate of registration must reflect the party which is shown on their certificate of voter registration and must meet the general and specific qualifications for the office sought. Write-in candidates shall file a declaration of intent with the appropriate filing officer. Once the declaration of intent is filed, write-in candidates are considered candidates for all purposes and provisions relating to candidates in the Election Code, including the financial reporting obligations. Names of write-in candidates are not printed on the ballot.

NOTIFICATION OF BALLOT QUALIFICATION

Filing officers are required to notify candidates about their qualification status in a timely manner; this notification will include whether a candidate is qualified to have their name appear on the ballot.

Candidates that qualify: Filing officers are required to notify candidates qualifying for the ballot of their qualification no later than 5:00 p.m. on the first Tuesday following the filing date. The notification dates for the Primary are February 10, 2026, for candidates seeking pre-primary designation and March 17, 2026, for all major party candidates. Those seeking qualification as write-in candidates will be notified on March 24, 2026. For the General, the notification date is June 30, 2026. Qualification for the ballot requires meeting the minimum number of petition signatures (if required and presuming any challenge is overcome) and that the candidate's declaration of candidacy and certificate of voter registration are in proper order. Filing officers are required to mail a notice to qualified candidates.

Candidates that do not qualify: Candidates who are notified that they did not qualify to have their name placed on the ballot may challenge the filing officer's decision by filing a petition with the district court within ten (10) days of the notification. Procedures for a challenge and all other information regarding notification of qualification are found in 1-8-26, NMSA 1978.

BALLOT POSITION INFORMATION

Pre-primary Candidates: Candidates designated and certified by state convention are placed on the ballot in the order of votes received at the convention, i.e., the candidate with the highest number of votes is listed first, followed by the remaining candidates in descending order of votes. Candidates with a tie convention vote are determined using the [New Mexico Election Alphabet](#).

All Other Candidates: Candidates for statewide office or federal office who are not designated by convention but qualified by submitting additional nominating petitions and a new declaration of candidacy, are placed on the ballot below the convention designated candidates; the order in which they are placed is determined by the New Mexico Election Alphabet. Qualified candidates for any other office are arranged on the ballot using the New Mexico Election Alphabet (see 1-10-7 (B), NMSA 1978 and 1.10.7 NMAC).

Ballot Order by Office: The names of the candidates of each political party qualified to participate in a general election shall be placed by party on the general election ballot in the order of preference as determined by the New Mexico Election Alphabet (see [1.10.7 NMAC](#)).

CAMPAIGN FINANCE REQUIREMENTS

A note about getting started with your campaign:

In the beginning stages of your campaign, if you do not already have one, you must open a bank account that is used *only* for campaign purposes.

If your financial institution requires written confirmation that you are in fact a candidate for office, the Candidate Campaign Committee Registration form is the only item available to demonstrate the campaign is active until the declaration of candidacy is filed.

If a financial institution requests that the candidate produce a declaration of candidacy, they can be informed that this form is not made available until filing day. Such issues are typically a confusion in terminology and can be alleviated with an explanation from the candidate regarding the filing day form and requirements. Non-statewide candidates must file their Candidate Campaign Committee Registration Forms and begin reporting campaign finances upon spending or receiving more than one thousand dollars (\$1,000.00); Statewide candidates must file their Candidate Campaign Committee Registration Form and begin reporting campaign finances upon spending or receiving three thousand dollars (\$3,000.00). *Refer to 1-19-26 (G), NMSA 1978.*

CAMPAIGN REPORTS

The following information is intended as an introduction to campaign reporting requirements and highlights some statutory guidance which may be helpful for both experienced and first-time candidates. Candidates are responsible for adhering to all statutory requirements outlined in the Campaign Reporting Act.

New Mexico Campaign Finance System (CFIS) The New Mexico Campaign Finance System (CFIS) is the online application where candidates must report their campaign finances and can be accessed at <https://login.cfis.sos.state.nm.us/#/index>. A valid email address is required to use the system. For further information, please refer to the CFIS System Resources for Candidates and Campaign Finance Reporting Schedule found on the secretary of state's website at [Campaign Finance Reporting Schedule](#)

Candidates; and Campaign Committees - Treasurer and Contribution Filing Information (Section 1-19-34, NMSA 1978)

It is the responsibility of the political or campaign committee or candidate to ensure that a treasurer is appointed and constantly maintained. If a new treasurer is appointed, the secretary of state must be notified within ten (10) days. A candidate may serve as their own treasurer.

All transactions are to be authorized by and through the treasurer or candidate. The treasurer will maintain a bank account in the name of the candidate or committee and maintain receipts of deposits and disbursements from the account. It is permitted for investments from a bank account to earn interest, provided that the investments and earnings are reported.

The treasurer must maintain a full, true, and itemized record of each transaction, including the amount disbursed or received, the date, to whom disbursed or from whom received, and the purpose of the transaction.

Anonymous contributions may not exceed one hundred dollars (\$100.00) each. The total amount of anonymous contributions received by a reporting individual for each of the primary and general election cycles may not exceed two thousand dollars (\$2,000.00) for statewide candidates or five hundred dollars (\$500.00) for all other candidates.

Contributions received in excess of the limits provided by the Campaign Reporting Act (CRA) are donated to the state general fund or another organization (see 1-19-34 (D), NMSA 1978 for further guidance).⁶

Special events exception: Cash contributions received at a special event are not subject to the above limitation, provided that:

- After expenses, the event raises no more than one thousand dollars (\$1,000.00) in anonymous cash contributions.
- The sponsor, date, place, total amount received, expenses incurred, estimated number of people in attendance, and other identifiable factors that describe the special event are documented.
- Tickets costing twenty-five dollars (\$25.00) or less are sold for admission to the event.

⁶ The Office of the Secretary of State follows guidelines outlined in the Election Code as well as the US District Court memorandum opinion and final judgment in Case No. 1:11-CV-00900-WJ-KBM, related to the Campaign Reporting Act provisions of Sec. 1-19-34.7(A)(1), (B) and (E).

- No more than twenty-five dollars (\$25.00) in cash is accepted from any one contributor.

Any amount over one thousand dollars (\$1,000.00) raised at a special event, after expenses, must be reported as individual contributions. Contributions received in excess of the limits provided by the Campaign Reporting Act (CRA) are donated to the state general fund or another organization (see 1-19-34 (D), NMSA 1978 for further guidance).

A candidate or political committee shall not accept a contribution made by a credit card or debit card via the internet or where the card is not physically present unless, at the time the contribution is made, the contributor provides the card security code assigned to and printed or imprinted on the card, and the billing address associated with the card.

Further, Section 2-11-8.1, NMSA 1978 prohibits lobbyists from serving as a campaign chairman, treasurer, or fundraising chairman for a candidate for the legislature or statewide office.

The CRA requires candidates to file reports in CFIS on specific dates with specific reporting periods. Candidates who fail to file timely or correctly, or who violate the CRA risk negative implications, including complaints, fines, and administrative, civil, and/or criminal penalties.

Reports and Statements – Late Filing Penalty – Failure to File

If a statement of no activity or a report of expenditures and contributions is not filed or is filed after any deadline imposed by the Campaign Reporting Act, the responsible reporting individual or political committee shall be liable for and shall pay to the secretary of state fifty dollars (\$50.00) per day for each regular working day after the filing due date, as determined by the Campaign Reporting Act, until such time as the report is filed. The maximum fine, as provided by Section 1-19-35 (H), NMSA 1978, is as follows:

- Five thousand dollars (\$5,000.00) for statewide candidate committees and political committees.
- Two thousand five hundred dollars (\$2,500.00) for legislative, district judge, district attorney, and public education commission candidate committees.
- One thousand dollars (\$1,000.00) for county candidate committees running in a county designated as class A.
- Five hundred dollars (\$500.00) for all other non-class A county candidate committees.

The above requirement does not apply to supplemental reports required to be filed and delivered the Thursday prior to the election or any other supplemental report. If any reporting individual fails to file or files a late report of expenditures and contributions due on the Thursday prior to the election, they shall be liable and pay to the Secretary of State five hundred dollars (\$500.00) for the first working day and fifty dollars (\$50.00) for each subsequent working day after the time required for the filing of the report until the complete report is filed. The maximum fine, as provided by Section 1-19-35 (H), NMSA 1978, is as follows:

- Five thousand dollars (\$5,000.00) for statewide candidate committees and political committees.

- Two thousand five hundred dollars (\$2,500.00) for legislative, district judge, district attorney, and public education commission candidate committees.
- One thousand dollars (\$1,000.00) for county candidate committees running in a county designated as class A.
- Five hundred dollars (\$500.00) for all other non-class A county candidate committees.

If a supplemental report required by Section 1-19-29 (B)(5), NMSA 1978 is not filed, or filed late, the reporting individual or political committee shall be liable for and pay to the secretary of state a penalty equal to the amount of each contribution received or pledged after the Tuesday before the election that was not timely filed.

The Secretary of State will issue a written notice of failure to file a report, or a report filed past the deadline, which informs the reporting individual of the violation and fine. The reporting individual will have ten (10) working days from the date of the letter to come into voluntary compliance and provide a written explanation of any reason why the violation occurred. The secretary of state may waive or reduce the fine if the explanation is filed in a timely manner and the secretary of state determines that good cause exists.

A final determination by the SOS shall be a notice of final action and sent to the reporting individual by certified mail.

Any report or statement of no activity will be considered as filed on time only if it is received by the secretary of state by the date and time prescribed by law.

Penalties for failure or refusal to submit filings to or pay fines imposed by the secretary of state as required by the Campaign Reporting act, in addition to any other penalties provided by law, may include, (1) the candidate's name not appearing on the ballot, (2) the candidate not being issued a certificate of nomination, or (3) the candidate not being permitted to file a declaration of candidacy or nominating petition for any future election. These penalties may be lifted if the candidate satisfies all reporting requirements and pays all penalties owed.

Withdrawn candidates or candidates who do not win the election:

Candidates who are not moving on to the general election are encouraged to file a final report to inactivate their CFIS account indicating that:

- There is no outstanding campaign debt;
- All money has been expended in accordance with the provisions of Section 1-19-29.1 NMSA 1978; and
- The bank account(s) specific to the campaign have been closed.

Candidates are required to continue to file reports according to the reporting schedule in Section 1-19-29 NMSA 1978 until a final report is filed, even if they withdraw or lose the primary or general election.

FUNDRAISING NOTES

Legislative Session Fundraising Prohibition: As explained in NMSA 1978, Section 1-19-34.1, the Prohibited Period refers to the period of time before and during any session of the New Mexico State Legislature during which it is unlawful for certain elected officials, candidates for office, and their agents to knowingly solicit a contribution for any campaign or committee governed by the Campaign Reporting Act.

The Prohibited Period applies to the following parties:

1. A state legislator, the state attorney general, the secretary of state, the state treasurer, the state commissioner of public lands, and the state auditor.
2. A candidate for state legislator, state attorney general, secretary of state, state treasurer, state commissioner of public lands, and state auditor.
3. Any agent on behalf of the state attorney general, the secretary of state, the state treasurer, the state commissioner of public lands, and the state auditor.
4. Any agent on behalf of a candidate for state attorney general, the secretary of state, state treasurer, state commissioner of public lands, and state auditor.

In a regular legislative session, the Prohibited Period begins each year on January 1, prior to the start of the session, and lasts through the adjournment of the session. In a special legislative session, the Prohibited Period begins after the proclamation declaring the special session has been issued and lasts through the adjournment of the session.

In the case of the following parties:

1. The governor or the lieutenant governor, and
2. Any agent on the governor's or the lieutenant governor's behalf,

The fundraising restrictions imposed by the Prohibited Period function are the same, but the duration of the Prohibited Period is longer. In a regular legislative session, the Prohibited Period begins each year on January 1, prior to the start of the session, and ends on the twentieth (20) day following the adjournment of the session. In a special legislative session, the Prohibited Period begins after the proclamation declaring the special session has been issued and ends on the twentieth (20) day following the adjournment of the session.

Additionally, no lobbyist may serve as a campaign chair, treasurer, or fundraising chair for a candidate for the legislature or other state office. It is unlawful during the prohibited period for any lobbyist or lobbyist's employer to contribute to or act as an agent or intermediary for political contributions to or arrange for the making of political contributions to the campaign funds of any statewide elected official or legislator or any candidate for those offices (see 2-11-8.1, NMSA 1978).

Raffles: While not specifically prohibited in the Election Code, upon guidance from the New Mexico Gaming Control Board (GCB), the Secretary of State cautions candidates against holding a raffle for fundraising purposes. [New Mexico Gaming Control Board](#)

DISCLAIMERS IN ADVERTISEMENTS

Campaign Signs and Campaign Materials:

A person who makes one or more campaign expenditures, coordinated expenditures, or independent expenditures for an advertisement that, in aggregate, exceeds one thousand dollars (\$1,000) during the election cycle, shall ensure that the advertisement contains the name of the candidate, committee, or other person who authorized and paid for the advertisement. This is known as the disclaimer statement.

Disclaimer statements shall be legible on any advertisement that is disseminated or displayed by visual media. If the advertisement is transmitted by audio media, the statement shall be clearly spoken during the advertisement. If the advertisement is transmitted by audiovisual media, the statement shall be both written legibly and spoken clearly by the advertisement (see 1-19-26.4, NMSA 1978).

Exceptions to the above requirement include:

1. Bumper stickers, pins, buttons, pens, and similar small items upon which the disclaimer cannot be conveniently printed; or
2. Skywriting, water towers, wearing apparel or other means of displaying an advertisement of such a nature that the inclusion of a disclaimer would be impracticable.

Mailed Ballot Delivery to County Clerk: (Section 1-6-10.1, NMSA 1978)

- A voter, caregiver to that voter, or member of that voter's **immediate family or household**, may deliver that voter's absentee ballot to the county clerk in person or by mail, provided that the voter has subscribed to the official mailing envelope of the absentee ballot. **As used in this section, "immediate family" means the spouse, children, parents, domestic partner, grandchildren, grandparents or siblings of a voter, or a person with whom the voter has a continuing personal relationship.**
- Unlawful possession of an absentee ballot is a fourth-degree felony (see 1-20-7, NMSA 1978).

If the voter's signature or last four of the social security number is missing or if the provided last four digits of the voter's social security number do not match the voter's registration certificate, the county clerk shall preserve the inner envelope with the official mailing envelope and immediately send the voter a notice to cure containing information regarding how the voter may provide the missing or incorrect information. The voter may provide the missing or corrected information at any time up to the conclusion of the appeal process for rejected ballots (Section 1-6-10, NMSA 1978).

Offenses and Penalties:

Chapter 1, Article 20 NMSA 1978 outlines some offenses and penalties associated with the Election Code. However, other parts of the Election Code also provide for offenses and penalties. It is important that all candidates are familiar with these and train all campaign staff accordingly. Some important items which are frequently asked about include:

- **Electioneering too close to polling place:** (Section 1-20-16, 1978)
Campaigning is prohibited within one hundred (100) feet of the building containing a polling place when the polling place is located within a school, church, or private residence. Campaigning within one hundred (100) feet of the door through which voters enter if the polling place is in the clerk's office, an alternate voting location, a mobile voting site, or any other location used as a polling place on election day, and that is not a school, church, or private residence, is also prohibited.
- **Obstruction of the polling place:** (Section 1-20-17, NMSA 1978)
Willfully blocking the entrance to a polling place or being within 50 feet of the polling place while not conducting lawful non-election business or taking part in the elective process, is defined as obstructing the polling place.
- **Election challengers, watchers, & observers:** (Section 1-2-22, NMSA 1978)
New Mexico law permits properly designated individuals to serve as challengers and watchers during early voting and on Election Day. Being a challenger or watcher gives the individual access to a specified early voting center or polling place to observe voting activities. Before accepting an appointment or entering into service as a challenger or watcher for an election, a person shall attend a training session in advance of the election. PUBLIC OFFICIAL HOME ADDRESS CONFIDENTIALITY

Pursuant to 1-1-27.1, NMSA 1978 and 1.10.37 NMAC, candidates running for public office and individuals elected to public office can request that their home address be made confidential for purposes of public disclosure. The *Request for Address Confidentiality* form can be found on our website, [2026 Primary Election Candidate Information](#). Upon completing and submitting the appropriate form to the Secretary of State's office, the qualified candidate's address will be designated as confidential. The candidate must provide an alternate mailing address which will appear in public records.

A candidate who has their address designated as confidential shall not have their address publicly disclosed on government websites or in government documents, however, these limitations do not extend to judicial proceedings.

The alternate address the candidate provides on the form should be used for all government mailings. If the candidate provides their non-confidential home address in any publicly available location after signing the form, its disclosure is not the responsibility of the Office of the Secretary of State, nor will the Secretary of State be responsible for rectifying the disclosure.

This designation is contingent on the candidate's election and will no longer apply, should the candidate fail to be elected to the office for which they are running.
